Attention: Mr. Ray Sukys

Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding the Butte County Association of Governments' (BCAG) Administrative Amendments No. 9 and 10, which make technical adjustments to their 2002/03-2004/05 Federal Transportation Improvement Program (FTIP). These amendments do not affect air quality conformity, timely implementation of Transportation Control Measures (TCM's) or financial constraints, and do not result in major scope changes.

The projects in these amendments are included and submitted by BCAG through the California Transportation Improvement Program System (CTIPS). Caltrans concerns, if any, are reflected in the "Caltrans comment" section of the FTIP Project Data Entry screen in CTIPS project by project.

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, these FTIP amendments have been amended into California's 2002/03-2004/05 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Abhijit Bagde of my staff, at (916) 654-3638.

Sincerely,

A handwritten signature in black ink, appearing to read "Kris Balaji".

Kris Balaji, Chief
Office of Federal Transportation Management Program
